

Are you modifying your home?

And do you want to save on energy costs, insulation, security and still maintain your natural daylight and views?

Whether you are doing major renovations or updating your home, Blockout Roller Shutters have a product in our range of built in or external shutters to suit your modifications.

Blockout will custom design shutters to blend in or make a statement. Blockout's Shutter range include shutters designed for extreme weather conditions, security risk and noisy traffic localities.

Our shutters can be installed on almost any glass surface including roofs; shaped, sloping and curved glass areas. In addition, we've been around for many years, so we'll guarantee to give you the right advice.

Call us today for a consultation on your home modification requirements.
